

# TIMOTHÉE POPESCO

JUNIOR WEB DEVELOPER

RESEARCH INTERNSHIP -  
WEB DEVELOPMENT -  
4 TO 6 MONTHS (BETWEEN  
JANUARY AND AUGUST).

## PROFILE

Currently a third year student at IIM in the web development course, I have developed teamwork skills. I am attentive, adaptable and motivated. I am passionate about Japanese culture, cooking and sports. My curriculum trains me to use different languages and programming libraries that I put into practice in weekly projects.
